Organisation of the exam: You will have at least 50 minutes to prepare your answer and around 20 minutes to present it to the examiners. You will not be allowed to use any sources of information.

Preparation: Upon arrival, you will pick a random ticket. Each ticket will contain one theory question and one original exercise. The list of theory questions will be available on Moodle in advance. The answer must be written down in a way readable and understandable by the examiners.

Examination: You will answer your ticket by presenting your paper sheets to the Professor and the expert. You may also be asked additional questions. The blackboard will not be used during the examination. Please note that your paper sheets will be kept by the examiners.
