

# How to make your course page visible?

➔ By default, the courses are hidden from the students. To make your course page visible:

**TEST\_SERVICEDESK**

[Course](#) [Settings](#) [Participants](#) [Grades](#) [Reports](#) [More ▾](#)

➔ Then click on the Course Visibility dropdown menu:

**General**

Course full name ?

TEST\_SERVICEDESK

Course short name ?

TEST\_SERVICEDESK

Course category ?

× ITOP-SDESK
