How to add MapleTA to Moodle?

→ Activate editing mode at the top right of the Moodle page:

→ Go to the desired Section/Topic, and click on "Add an activity or resource":

→

→ Select your desired resource to add. In this case, an "external tool":

Add an activity or resource		
Search		
All Activities	Resources	
Assignment	Chat	Choice
* 0	* 0	* 0
	ed	£ 3
Database	Ed Discussion	External tool
* 0	* 8	* 8

→ Make sure to add a name, and then click on the "Preconfigured tool" dropdown menu:

ය Adding a new External tool ම		
✓ General		
Activity name	MapleTA	
Show more Preconfigured tool ?	Maple TA - LTI 1.1 💠 🕇 🌣 🗙	
	Select content	

➔ Do not forget to save!
