## How to add an enrolment key?

You can add an enrolment key to your course in order to prevent students who are not registered in IS-Academia to have access to your course.

→ First, click on "Participants":

Course	Settings Participants Grades	Reports	More ~	

→ Then, use the "Enrolled users" dropdown menu to navigate to "Enrolment methods":

Enrolled users 🗘	Enrol users
Enrolments	
Enrolled users	5
Enrolment methods	
Groups	elect 🗢

➔ Find the "Self enrolment" method and click on the cog icon, or add it using the "Add method" dropdown menu:
